

**Course description :**

This subject covers the fundamentals of Reading Comprehension, including listening, speaking, reading, and writing, as well as syntactic and semantic rules.

**Objective**

- This subject provides an overview of four language skills: listening, reading, speaking and writing that are useful in translating process.
- Also it gives long lists of vocabularies and grammatical rules which have wide areas of application.

**Specific learning outcome:**

The learner will be able to memorize, learn and use vast range of vocabularies and grammatical items that may help them in translation as well as in language use.
